General enquiries:

training@partnershipprojectsuk.com www.partnershipprojectsuk.com

*ADVANCED CERTIFICATE IN NVR PRACTICE - Evaluation & Certification:

For participants who fully complete the Foundation Level & Advanced Level (10 days in total) and who then wish to go on to acquire the 'PartnershipProjects Advanced Certificate in NVR Practice' they will need to submit the required coursework for evaluation within a 12-month period from the last Advanced Level day (AL10).

Evaluation fees apply – please refer to our website for full details; www.partnershipprojectsuk.com/ training-workshops/bookingevaluation-certification/

CLINICAL SUPERVISION IN NVR PRACTICE

12 Months; can be commissioned as agency-based supervision.

Key

DARK BLUE

PartnershipProjects Certificate Course and recommended agency based training program. After completion of Foundation Level, participants have up to 2 years to commence Advanced Level training.

LIGHT BLUE

Successful completion of Evaluation & Certification is required for progression to Accreditation Module.

RED

Highly recommended optional module, for organisations who do not have their own in-house clinical supervision in NVR-informed practice.

PURPLE

Additional training module that is not related to NVR-informed practice qualification levels.

ORANGE

Additional training module that is not related to NVR Association (NVRA) qualification levels.

GREEN

Following successful completion of this module, participants will receive their NVR Association (NVRA) Accredited Practitioner certificate.
